

PROJECT CONTRACT: TEAM NAME

COMP 496: SENIOR DESIGN II

SPRING 2020

1 [PRODUCT NAME] PROJECT DESCRIPTION

Give a description of your project in enough detail to characterize the technical depth and scope.

2 FACULTY ADVISOR AGREEMENT

I [Faculty Advisor's name goes here] have agreed to be the faculty advisor for the project team listed below. This includes meeting with the students at least 7 times during the semester during my office hours or other times at my convenience.

I will give technical advice, encouragement, and make sure that the project stays within the scope of a one semester senior project. I am not expected to design or implement code but will read and give comment to related course documents (Requirements, Specification, Design, and Final Documentation). Furthermore, I agree that the project described above is an appropriate project (if not, have the project team to revise it to meet your satisfaction).
